HP Monochrome LaserJet Printers

Get the printer that best meets your needs - high volume, office and personal black-and-white laser printers with renowned HP reliability and performance.

|	HP LaserJet Pro P1100 Printer series	HP LaserJet Pro P1566 Printer	HP LaserJet Pro P1606dn Printer	HP LaserJet P2030 Printer series	HP LaserJet P2050 Printer series	HP LaserJet P3010 Printer series	HP LaserJet P4010 Printer series	HP LaserJet P4510 Printer series	HP LaserJet 5200 Printer series	HP LaserJet 9040/9050 Printer series
Description	Designed for home or small office users who want an affordable HP LaserJet printer that's easy to use and helps save energy and resources.	Business professionals who need a fast, desktop laser printer that's easy to use and helps them save energy and resources.	For small offices where a shared, faster laser printer helps reduce environmental impact with automatic two-sided printing and energy-saving features.	An affordable printer for office productivity in a sleek, space-saving design.	Effectively print everyday black-and-white office communications such as reports, invoices, and spreadsheets.	High performance printer packed with advanced security features and flexible expandability options to meet changing business needs.	Delivering robust performance and versatile expandability options to businesses demanding enhanced productivity.	HP's fastest monochrome laser printer combines high-productivity printing with robust security features for exceptional performance.	Powerful and versatile wide-format printer for business workgroups.	Ideal for demanding departments needing high performance and low operating costs.

HP Auto-On and Auto-Off capabilities subject to printer and settings
* Available in selected models.
1 Available in selected Asia-Pacific countries only.
2 Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs.
3 HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
4 Declared yield values for replacement cartridges in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit www.hp.com/go/learnaboutsupplies.
5 For both Ready and PowerSave modes. Figure is approximate for typical office documents and may vary according to system or network configuration and document complexity.
6 Exact speed varies depending on the system configuration, software application, driver and document complexity.
7 For in-depth details, please refer to datasheets.

HP Color LaserJet Printers

HIT PRINT INTELLIGENTLY

Choose from our extensive range of high volume, office and personal HP Color LaserJet printers, and enjoy high-quality printing solutions with renowned reliability and professional colour results.
